

WHAT DO THE FUNDS SUPPORT?

Funds raised during the Read-A-Thon will be used to maintain our non-fiction section and enrich our collection with books featuring ‘Own Voices’, a term coined by writer Corinne Duyvis, that describes a book that features diverse characters and perspectives written by an author who shares those identities. We purchase from independent bookstores. We participate in the Ontario Librarians’ Association Canadian Book Program, ‘Forest of Reading’, and bring wonderful authors, storytellers and illustrators to our school for visits.

Record the books you read in the space provided and attach any other titles on a separate sheet of paper. Parents, please use this form in a way that makes sense for you and your child. This will be quite different for children across the grade levels. A flat donation is also welcome.

Donations will be received by classroom teachers until April 15.
